This quote is valid until 10/26/2023. Substantial shipping must commence by 11/02/2023. Each shipment allows up to 3 hours, round trip, freight included. Quote is valid for shipments taking place by 12/11/2023. This quote is an estimate. Customer waives the right to hold National Lumber liable due to unforeseen delays caused by supply chain disruptions. National Lumber will not be held liable for any discrepancies between the estimate and actual amount of product needed on this job.

Production/Order Placement will not begin without a signed authorization. Upon authorization of this quote you will have a 24-hour grace period in which any changes can be made. By signing this quote, cash customers agree to pay for this product in full prior to delivery and charge customers agree to pay for product within their terms

Non-Stock material which remains in our possession, **60 days after receipt/manufacture** by us, will be invoiced in full. Customer shall be responsible for payment in full. Customer must take possession of material within 30 days after invoiced. After said 30 days, material may be disposed/donated, solely at our discretion. There shall be no credit for material disposed/donated.
